"Created in the Image of God"

Catholic Education Week begins this year **next Sun., Apr. 29th**. Each year during Catholic Education Week, we celebrate the unique identity and distinctive contributions of Catholic education in Ontario. This is a special year as we celebrate 150 years of Catholic education in this province. Our Catholic faith emphasizes the belief that all persons are made in the image of God and that Christ shows us the fullest expression of God's image alive in each of us. Our Catholic schools foster the excellence of all students through the dedicated efforts of our teaching and support staff.

We are pleased to have St. Thomas Aquinas High School and Mother Teresa School say a few words at the end of Mass **next weekend**.
