Dear Brothers and Sisters in Christ,

On this Passion Sunday when we are also collecting for the Development and Peace, I would like to say a few words about my upcoming Mission trip to El Salvador and Honduras (April 28th-May 6th) (This is a repeat from last week's unread bulletin!). As many of you know, I have been to El Salvador six times, but I have decided to also visit Honduras, since I have heard from the people at Canadian Food for Children that this particular mission can offer excellent opportunities for youth to serve our poor brothers and sisters in the "Third World." If all goes well, we can look ahead to planning a parish mission trip in 2009.

Every year I have been to El Salvador I hand out money to many of the poor families I have come to know over the years, many of whom had children who spent time in the local hospital for malnourished children. We have also given donations in the past to the nearby orphanage. If anyone were to entrust a donation to me, I will gladly pass it on to the poor. I am currently emailing a sister in El Salvador to ask her about other ways we could help.

I would also like to share with you that it is always a difficult decision for me to actually get up and go on a mission trip. It is easier to stay home, or lay on a beach in Cancun and have the poor serve us! But I know I wouldn't be happy doing that, and every time I do try to reach out to the poor, the Lord blesses me with more life, joy and gratitude for what He has given to me. I will keep you posted.

Sincerely in Christ,
 Fr. Tim

◆ **FOUNDATION WORK AT OLMM:** Parishioners may notice some digging at the back of the Church in the coming weeks. Mr. Foundation is repairing a leak in our foundation. In the spring, for three of the past four years, we have had flooding through the bathrooms into the hall. During the thaw this February, we spent three days vacuuming up the water. Needless to say this problem is not going to go away on its own. We do not want any further damage to our new carpet, nor increase the possibility of mold developing, a problem about which our Catholic insurance representative has warned us. The work is necessary, and comes at a cost of \$6 800. Thanks be to God we have money in the bank to cover this, but of course any donation would be gladly accepted.

Fr. Tim
