PASTOR'S CORNER

This weekend in Rome, **BROTHER ANDRE** will be canonized by Pope Benedict - the first Canadian-born male saint. Brother Andre's mortal remains are still venerated today at St. Joseph's Oratory in Montreal - the largest shrine to St. Joseph in the world. Miracles still happen there today! If you have never been on pilgrimage to the Oratory, don't delay. It's only 2 hours east of here, a short day-trip. Bring your intentions to St. Joseph and *Saint Andre* of Montreal. And don't forget to check out our little parish shrine to St. Joseph (and St. Andre) at the back of the Church.

Brother Andre is popularly known for his devotion to St. Joseph, to whom he attributed the thousands of miraculous cures that happened during Brother Andre's lifetime. But his greatest devotion was to Jesus Christ, specifically, Jesus Christ in His Passion. Brother Andre's love for the suffering Jesus overflowed in Andre's love for the sick and suffering, to whom he personally ministered. Brother Andre reminds us that all great miracles begin with God's love for us, and our response to His love, and the compassion we show to others. Saint Andre of Montreal, pray for us!

In Christ, Fr. Tim

YOUR OFFERINGS FOR

October 3- \$3569.09

Thank you for your generosity & support

[Thank you for your generosity!](#)

October 17, 2010
Month of the Holy Rosary

LITURGY CORNER:

Beginning with Jesus' birth, Luke wants us to understand that Jesus is our Savior-the one who brings salvation. Salvation in the full and final restoration of our relationship with God, which has been damaged by sin. It is a gift to us (Ephesians 2:8), accomplished through the life, death, Resurrection, and Ascension of Jesus Christ. It is to be sought, not in the unknowable future, but by living in the immeasurable and ever present love of God. Some Christians speak of being saved as though it was something that happened at a given moment in time, but in the Catholic tradition, we speak of achieving salvation as a lifelong process.

This week at Our Lady's...
