### **PUBLIC EDUCATION ADVOCATES FOR CHRISTIAN EQUITY (PEACE)**

The Ontario Ministry of Education has mandated policies requiring schools to affirm the LGBT lifestyle in all subjects, all grades, beginning in JK. Unfortunately, this will also lead to confusion in the minds of children from traditional faith families about what is right or wrong for them.

Train the trainer session on Thursday, June 23<sup>rd</sup>- Holy Trinity Hall 58 Arthur Street (off Somerset) 7:00 p.m.  
For more detailed see the bulletin board in the Church

### **PASTOR'S CORNER**

Thanks be to God for the good weather and the joyful celebration of our **PARISH PICNIC** (despite the power failure)! About 240 people came for the great food, fun and fellowship. Thanks especially to our barbecue king Danny Gernon, who spent the whole day at the parish cooking for us. Thanks also to Meghann Baker, Allison Fortier, Kristine Steele and other members of Parish Council for their hard work behind the scenes to make this event such a success.

We already have a vibrant, active, and friendly parish, based above all on our worship of God, the source of our unity and charity. I am sad to leave such a beautiful parish family. Before going (August 1<sup>st</sup>) I want to urge you not to be complacent! Your new pastor will need your support and commitment to the life of the parish.

I would like to take this opportunity to invite others to become involved. Events like the parish picnic do not just happen. People need to give of themselves, their time and talent. Our parish needs more volunteers in every area: parish council, temporal affairs, readers and Eucharistic ministers, pastoral care, office help, library committee, and so on. You don't have to wait to be tapped on the shoulder to say "yes" to volunteering in your parish. We need you now!

In Christ, Fr. Tim

P.S. As announced last week, I am away this week on a Liturgical Retreat for Priests at Mundelein Seminary near Chicago. Please say a prayer for me, and warmly welcome Fr. Stephen Nwabuike.

### **Number Four: Why Does the New Mass Sound So Different?**

When the Church decided to translate the New Latin Missal into English, the most up to date translation methods were used. Experts in Latin, liturgy, English, poetry, music and translation, as well as many other disciplines were all consulted in order to produce the best translation possible. The previous translation tried to keep the sense of the words in English but it was not trying to be as literally accurate as possible. After thirty years of experience with the current translation we saw that we had lost some important content by loosely paraphrasing the Latin prayers into English. We also noticed how we had compromised the Roman-Latin style of the prayers. The New Missal has the most accurate translation of the Latin prayers and it is closest to what the Church prayed for centuries. Sometimes the translators had to use words or phrases that sound more formal or 'old fashioned' to translate the Latin words and ideas into English because that was the most accurate way to keep the original meaning. But almost all of the translations were able to balance a good, accurate translation with simple and dignified language and a Roman 'style' of prayer that help us to remember that we are speaking to God who is deserving of all of our love and respect.
