PASTOR'S CORNERS

By recognizing Jesus in the poor and needy, we become part of his kingdom.

Mother Teresa

When we try to think of people who have responded to this invitation in a radical manner, we think of Blessed Mother Teresa who became famous by helping the poor and destitute people living in the slums of Calcutta. Mother Teresa's extraordinary acts of charity were motivated by her conviction that Christ lives in each and every human person especially the poor and the suffering. She stated that love, humanity and helping others selflessly were her reasons to live on earth and today she enjoys a pride of place in the Kingdom of her Master!

Heirs of the Kingdom

Today, the Solemnity of Christ the King, we acknowledge Christ as our Lord and king. And if Jesus is indeed our king, we have to pay attention to his words and respond to them not just with pious thoughts but with deeds. In other words, Jesus will never be king of our hearts unless we serve our deprived brothers and sisters as he did. The conclusion is obvious: it is not possible to be committed to Christ without being committed to the least of his brothers and sisters. The question we have to ask ourselves, therefore, is who are the hungry, the homeless, the naked, the thirsty, the prisoners, in our lives?

The New Missal

The New Translation of the Roman Missal will be used throughout the English-Speaking world as of Nov. 27, 2011 the first Sunday of Advent (next weekend!). To ensure a smooth and seamless transition, the parish is organizing a mini-workshop on Wednesday Nov. 23 at 7pm. Frs. Ingram of the Companions of the Cross will be facilitating the session. Everyone is encouraged to attend at no cost!

May today's feast fill us all with joy, peace and love.

OLMM YOU ARE INVITED: It is an exciting time to be Catholic indeed! Starting the first Sunday of Advent, we will begin using the new English translation of the Roman Missal. Come begin to understand some of the changes, as well as preview the Mass with its new responses, this coming **Wednesday, November 23rd at 7:30pm**, here at the Church. Special guest speaker, Father Pierre Ingram, will be here to help us "discover the depths of meaning contained in the ancient prayers, responses, and acclamations of the Roman liturgy" which will allow "our minds and hearts to be formed by the inner dynamism of the liturgical action." This is a remarkable achievement, and it deserves a wholehearted and enthusiastic reception from us all. We look forward to seeing you in large numbers!
