We have received an urgent appeal from several priests in various parts of Africa, priests who live and work in areas where they either receive either no monthly stipend or a very small amount. If you would consider helping them out by buying razors, they would be so grateful. However, please avoid buying dollar-store razors unless they are Bic razors! Also, the Oblates in Madagascar are in desperate need of as many bottles of Tylenol Extra-strength as possible. In the last year, they have been subject to one devastating virus after another. Currently, half of the Oblate seminarians are sick. If you would like to help, please drop your razors and medication off in the parish office. The priest in charge of the sick seminarians requests that we send tablets with an expiry date in late 2014 or later. If you would like to help in other ways, please e-mail Teresa at terryannkeogh@gmail.com or telephone 705-997 -2274. Thank you so much.
