### Pastor's Corner

#### Welcome to the Ordinary Time of the Year!

After the Holy Season of Advent and Christmas, we now enter into the Ordinary Time of the Year. We go back to the green vestments. Unlike other seasons – Advent, Christmas, Lent and Easter which focus on one event of our salvation history or the other, the Ordinary Season focus on the entire mystery of Jesus Christ and His redeeming message. As we know, the colour green signifies life and growth. This is, therefore, a time to grow in the wisdom and knowledge of our God and to live out our baptismal commitment: to love God and others and to make disciples!

#### Called to be Witnesses

John gives witness to the truth. He testifies in today's gospel that Jesus is the Son of God! Through baptism, we have all been called to witness to the Truth. Part of our baptismal commitment is to lead others to the person of Jesus Christ. The gift of faith which we received at our baptism is meant to be shared with friends, neighbours and colleagues. And how do we do this? We do this by simply being who we are; by living out what we believe.

#### World Day of Migrants and Refugees

Today is observed as World Day of Migrants and Refugees. We are invited to pray in a special way for all those who are displaced from their homeland due to war, violence or strife. In his message, Pope Francis invites us "to love Jesus Christ, to adore and love him, particularly in the poorest and most abandoned; among these are certainly migrants and refugees, who are trying to escape difficult living conditions and dangers of every kind." Migrants and refugees have a special place in the heart of the Church, according to Pope Francis, may we always open our arms in welcome to them!

Have a great week!

Fr. Paul
