In 1998 he completed his seminary studies at the Papal theological faculty in Wroclaw in the field of theology (psychology), granted the title of "Master of Arts in theology with the pedagogical background". Let us all welcome him to OLMM when he arrives in August.

**Bookworm's Corner**

The adult books in the OLMM Spiritual Library contain many different sections – each with a variety of topics and prefaced with a B and then a number. For example, the B07 category contains books on Biography and Biographical Accounts. You can find books on Mother Teresa, Jean Vanier, Catherine Doherty and many others. Inspirational Readings are in the B18 section and B11 contains books on Ethical, Social and Moral Issues. Books By and About Saints are in the B03 section.

Treat yourself to some good summer reading.
