Gospel Summary

For the third time since His resurrection, Jesus appeared to the disciples. It seems that the disciples had returned to their former lives—those they had lived before they left to follow Jesus—because they were fishing in the Sea of Galilee. Jesus stood on the shore and called out to the men in the boat asking if they had caught anything. The disciples replied that they had caught nothing. Jesus then instructed them to cast their net on the right side of the boat. When they did, they had a huge catch of 153 fish. They knew from this sign that it was Jesus on the shore. When they came ashore, Jesus cooked their breakfast of fish. When they finished eating, Jesus asked Peter three times if Peter loved Him. This was a great example of reconciliation because the opportunities for Peter to affirm his love of Jesus matched the same number of times he denied knowing Him. It was then that Jesus commissioned Peter to care for the sheep in Jesus' flock.

Reflection For Families

As parents we know a great deal about caring for sheep in the flock. We work long, hard, and diligently to make sure that our children receive the physical, emotional, and spiritual care they require. We are challenged by this Gospel reading to move outside our immediate "flock" and care for all of God's children. Our own children will learn the essence of this Gospel when they see us reconcile with others and go outside our small worlds to help others.

Bringing The Gospel Into Your Family

Jesus invites us to follow Him in the ordinary ways of our lives. An example of following Jesus can be seen in the reconciliation that transpired between Jesus and Peter. Out of paper, cut out some fish. On each paper fish invite every family member to put the name of someone they might need to reconcile with during this Easter season. You might even help one another decide on what action you will take.

Catholic Education Week 2019 begins on Sunday, May 5. The Catholic schools in our parish will engage in a series of events to celebrate the ongoing gift of publicly funded Catholic education. You are invited to discover what celebrations are happening in your children's school and if possible, attend. Publicly funded Catholic education has existed in Ontario since 1841 and its graduates have served Ontario and Canada very well. The current generation of students in our publicly funded Catholic schools will serve with the same spirit and generosity as their previous generations.

This year's Catholic Education Week theme is *"Living as Joyful Disciples."* The 2019 CEW theme was inspired by three sources: *Renewing the Promise*, The Pastoral Letter on Catholic Education from the Bishops of Ontario; *Gaudete et exultate*, the Apostolic Exhortation of Pope Francis on the Call to Holiness; and *Young People, the Faith and Vocational Discernment*, the October 2018 Synod of Bishops. Mindful of the Synod on Youth, the theme and sub-themes are very much directed to the young people in our schools, especially in their growth in holiness and their formation as disciples of Christ through the discernment of their vocational pathways. In the section of *Renewing the Promise* entitled, "A Community that Forms Joyful Disciples," we read, "Our Catholic schools help to form joyful disciples as hearts and minds are opened to the transforming love of God and to the flame of faith in action. On a daily basis, Catholic schools demonstrate the joy of believing and witness the Good News to the communities that they serve.

"The CEW biblical quote is "Although you have not seen him, you love him; and even though you do not see him now, you believe in him and rejoice with an indescribable and glorious joy." 1 Peter 1:8
