### Mother's Day Prayer

Heavenly Father, on this Mother's Day, we thank You for our mothers through whom Your gift of life begins and through whom we are nurtured into great human beings. We lift up all mothers to Your love and care. We pray for them, for their needs of strength and support to continue to nurture a family of love, in honor and love for You, our God.

Amen

-----  
**Thank you to our Parish family** for being so understanding and patient during these trying times, and for following all the guidelines as given by the E.O.H.U. A special thank you to our volunteers who check everyone in and make sure our Parish is disinfected after all Masses. We have a wonderful group of dedicated volunteers who keep the Church running smoothly. Thanks to Robert Fortier for always being here to record our Sunday mass for those at home. Special thanks to Fr Robert for always having weekday masses even with our small numbers. He is a true shepherd and we are so Blessed to have him.

**Catholic Education Week 2021 begins on Sunday, May 2, 2021.** The Catholic schools in our parish will engage in a series of events to celebrate the ongoing gift of publicly-funded Catholic education. You are invited to learn about the various celebrations that are happening in your children's school, and are welcome to attend, if possible. Publicly funded Catholic education has existed in Ontario since 1841 and its graduates have served Ontario and Canada very well. The current generation of students in our publicly funded Catholic schools will serve with the same spirit and generosity as their previous generations.

This year's Catholic Education Week theme is, "*Nurturing Hope.*" The theme for Catholic Education Week 2021 was inspired by the following considerations:

Recognition of the special Year of Laudato Si' which will run through May 24, 2021, announced by Pope Francis on May 24, 2020, the fifth anniversary of his papal encyclical, "On Caring for Our Common Home."

In the face of the ongoing reality of the COVID-19 pandemic, a strong desire by the planning committee, along with those consulted, and supported by feedback from the survey, for continuity with the theme for Catholic Education Week 2020, *Igniting Hope*, which has served so well during the spring recess from in-school instruction.

The challenges to personal and spiritual well-being posed by the uncertainty and physical isolation of the current global crisis makes the timing and the concerns of Mental Health Week, which takes place during the same week as Catholic Education Week, all the more relevant.

Ongoing recognition of the Truth & Reconciliation Commission and the relevance of Indigenous culture and spirituality to the spirit of Laudato Si.

The CEW biblical quote is, "*Those who hope in the LORD will renew their strength.*" (Isaiah 40:31)

### **Let Us Implore the Protection of Mary**

In this month of May, traditionally dedicated in honour of the Virgin Mary, let us invoke the maternal protection of the Mother of God and Mother of the Church. Let us unite with the Holy Father's wish to make May a month dedicated to a "marathon" of prayer to invoke the end of the pandemic, which has been affecting the world for over a year, and the resumption of social and professional activities. Thirty Marian shrines around the world have been designated to help us pray. Here in Canada, we will turn to the Shrine of Our Lady of the Cape in Trois-Rivières, Quebec. More details will follow to unite us in faith and thus encourage us to implore the protection of the Blessed Virgin Mary, who, throughout our history, has come to the rescue of her children. I therefore invite the parishes, movements and Catholic associations of our diocese to encourage their faithful to pray a Marian devotion during the month of May.

Please continue to pray for me, as I do for you.

Immaculate Heart of Mary, pray for us.

Saint Joseph, pray for us.

+Marcel
